

# Water Lilies (7.99 GBP)

Location **South West, Avon**  
<https://www.freeadsz.co.uk/x-173598-z>

We are a family run aquatic plant nursery and have been involved in water gardening for nearly twenty years. All of our plants are grown under plastic and acclimatized slowly to ensure top quality, strong and healthy plants. We offer plants in various sizes of aquatic baskets or as bare rooted items. We have plants to suit all areas of the water garden, to include, marginals, deep water aquatics, lilies, plants for bog gardens and damp areas, poolside complimentary plants and grasses, rushes and sedges suitable for filter beds. Our lilies are sold in kit form, to include the rhizome itself, a planting basket, aquatic compost, lime free aquatic grit and a full colour label, along with full planting instructions. If kits are not your thing, lilies can be purchased fully potted and ready to plunge! Prices start at £7.99 and we have a selection of varieties. Visit our website for more details.
