15 REG, Blue Lexmoto Gladiator, 4500 kms on the clock which will be slightly rising, Cheap to run, great as a first bike (learner legal too) and a good commuter, Will do up to 55/60 mph. £6 to fill the tank and will do upto 150 mpg easily, I've been taking good care of it it has full service history and a brand new back trye. Bodywork in a good condition a few small scratches. I have removed the gladiator stickers of the side faring and they now look ghosted which I think looks smart, yellow tinted headlights. Has both centre and side stand, 1 owner from new (Me), Next MOT March 2018, cheap tax 17 quid a year, 2 keys, Centre stand, Electric start and kick start, Luggage rack with Top box lots of storage under seat and a decent sized glove box under the handle bars, uprated horn which is much loader.
