Rosewood Flooring for Bathrooms amp Kitchens in UK - Just Wood

North, Lancashire Location https://www.freeadsz.co.uk/x-173965-z

Just Wood's Rosewood Flooring is both strong and water resistant. It is ideal for bathrooms, kitchens and basements. Moisture can come up through your sub-floor, however, so installing a moisture barrier or underlayment is recommended. Underlayments can also absorb sound and act as insulation.
