

Vauxhall Corsa 2004 - Spares or Repair (520 GBP)

Location **London, London**

This is a great little run around, and has long MOT, bought as a stop gap between cars. The engine oil light comes on when the engine gets hot, but has been driving fine round the local area - hence the price. Had new battery, new gear linkage and cv joints replaced in August This would make a great project for spares or repair. Offers.
