Dear Sirs, Iâ€™m offering One-to-One Macintosh lessons through Skype for the price of £25 an hour for everyone who is new to the Mac (whether wishes to buy a Mac computer or recently bought one) and wishes to be more familiar with it and to know: - What is where on a Mac (laptop or desktop) computer - physically (buttons and hardware, what are they used for and how to be used); - Understanding the Mac user interface and how to communicate with it efficiently; - How to operate a Mac computer (working with applications and understanding its files and folders usage) and personalise it to your needs and preference; - How to use the in-built hardware capabilities and how to connect with devices (e.g Camera, Bluetooth, Wi-fi, etc.); - How to maintain the computerâ€™s and the batteryâ€™s health and optimise their performance. Thank you very much for the attention. Looking forward to welcoming your Mac queries. Kind Regards, Kaloyan Ivanov What clients say: â€™Mac Lessons are an easy and affordable way to become a confident Mac user. For me Kaloyan is a highly efficient and patient instructor, giving time flexibility for all my Mac on line lessons. I give this service a five star ***** rating for any help you may need.
