If you are looking for one of these then you probably know what they are and what they do.
 Plenty of videos on 'YouTube' showing its capabilities.

Selling as bought an upgrade camera drone as I enjoyed this so much. Great, easy to control drone with 720 HD recording camera and pictures. Control via Android or IOS phone/tablet.
 Download the free 'Free Flight' app from either app store.

Drone is approx 4 months old and was £279 when new.

Includes: Body, outdoor hull, indoor hull, battery & charger. The drone is in good condition but has been used.

See the video, all in working order.
