3 door spacious hatchback. 5 seats. 1497cc. Petrol. Manual. MOT until Aug 2016. Milage:95,250. Front wheel drive. Av mpg 42.8. Engine power 89bhp. Accel 13.8 secs. Top speed 107 mph. Power steering. Air con. Radio/cassette. Airbags. Central locking. Spare wheel & tools. Folding & spacious rear seats. Adjustable front seats. NCAP: Four stars. Immobiliser. This is the most reliable I have ever owned. Not that many repairs over the years. Only two owners including myself. It is comfortable, easy to drive, quiet and well built. Good engine and gearbox. The body work is fair but poor in places due to a few scrapes but not terrible. It has a new RAC Battery, four new spark plugs, two new front to rear brake pipes. Comes with repair receipts and service docs, car manual, four keys and £30 of petrol. Sad to sell but I need a van now.;
