Superb bike with service history, manual, lots of paperwork and very very low miles at just 9700 miles
Upgrades include Goodrich braided hoses all round included double on front, double bubble shield, single seat cowl (also have the standard seat as well), carbon exhaust Tyres are hardly used. Wheels are half polished aluminium and half colour coded which are both rarer and better looking. 2 previous owners
Never dropped & don't do wheelies... this bike has had a good life Only selling as its time to get a tourer for my wife :(Would give cash and my bike for a Triumph Sprint
