vauxhall vivaro.. "FOR SALE" 1.9 diesel... self converted camper van. English 54 plate. 131,000 miles... before i brought the van here to the costa del sol i had a major overhaul on her to make sure i wasn't going to have any problems while touring spain.. she's done only 18,000 miles since the new clutch, gear box water pump timing belt oil and filter change air and fuel filter etc.. rear brakes, injectors etc.. so mechanically she is sound.. in the back it has everything you need as in,, 2 berth bed, sink, gas cooker (inc bottle), fridge, free view tv with dvd player, even down to the cutlery, pots and pans.. it also has a 70 ltr water tank and it is fully wired for electric hook up..the stereo is Bluetooth hands free. there are a few knocks and bruise's but that reflects in the price. she's hardly been used over past 12 months and think someone could make better use of her... MOT TILL NOV 2016 TAX TILL APRIL 2016

Available for pick up from Doncaster 5th November 2015 as i am driving the van back to the UK from Costa Del Sol for MOT and quick.
