Leaves of Dreams is looking for a select group of up to 25 individual people or businesses, who support the arts, and independent creative industries and individuals, to join us as we upscale, and enter the physical domain as well as the online. We are more than happy to provide a full business plan, and breakdown of how we've calculated minimum pre-tax profit (and therefore your ROI) on request, and to meet with you in either Norwich or Lowestoft in person to discuss Leaves of Dreams in more detail. ;
