About Us - the Value Doors UK Team Value Doors has been supplying and installing affordable, high-quality and virtually maintenance-free external doors to customers across the UK for almost a decade, with online quotes and prices shown next to every product. Our business has grown year-on-year and our ever-expanding nationwide network of highly-skilled installers – each one trained to exacting standards at our head office in Leeds – makes your buying experience simple and hassle-free. Our company ethos is centred on giving you a first-class, industry-leading service you can be completely happy with, not only by ensuring we operate in an honest, open and fair way throughout your experience with us, but also to guarantee you get exceptional value for money. In addition, you benefit from clear and easy ordering, payment and installation processes. We were the first door company in the UK to advertise online quotes on our website.;
