Our house removals service offers you a reliable, convenient and stress-free approach to moving house. We know that a house move can be a stressful experience, so our aim is to make it as easy and straightforward as possible for you. Oxford Man and Van cover all of Oxfordshire (Abingdon, Banbury, Benson, Bicester, Burford, Carterton, Chalgrove, Chipping Norton, Didcot, Eynsham, Faringdon, Kidlington, Oxford, Blackbird Leys, Botley, Cowley, Headington, Jericho, Marston, Summertown, Wolvercote, Thame, Wallingford, Wantage, Watlington, Wheatley, Witney, Woodstock), and can carry out moves to anywhere in the UK! Removal Services can be either charged by hourly rates or a quote can be given before a job is undertaken. We provide a free survey of your home and contents to ensure we fully understand your requirements in detail. Our service can be tailored to your needs, allowing you to choose your level of involvement. Oxford Man and Van can help you with the packing, unpacking, dismantling, reassembling, lifting, loading and moving of all types of items to and from your home or office. If you don't want to lift a finger we can send a team who will assist with your removal from start to finish, taking care of all the heavy lifting and carrying. Alternatively, if you'd like to be more involved yourself, we offer a one man service to assist with as much or as little of your removal as you require. We have all the necessary equipment to move any item of furniture, no matter how bulky or awkward, and we have the know-how to ensure that your move runs as smoothly as possible. Your furniture and belongings will be carried in a clean, well-maintained vehicle which is equipped to protect and secure your goods safely whilst in transit. Long wheelbase transit vans come as standard, if you require a slightly bigger van we offer the Luton van with tail lift, or a 7.5 tonne vehicle which is more like a traditional large removal truck. Our services are available 8am - 8pm 7 days a week (no extra charge for weekend bookings).

PLEASE NOTE: for complex & large moves we will need to visit you beforehand, this is the only way we can assess the amount of work and effort required for the move. We will then forward you a quote from which you can choose and give us your best service.
