Aspace Porterhouse Oak Single Bed with Pull Out Oak Truckle Bed. Mattress only available for Truckle Bed and only used a handful of times. Mattress for bed itself not included and therefore will be required before use, but is a standard size. Bed owned and used by one careful boy who has grown out of it and is now in a double bed! All bed parts broken down and will require reassembly. Collection only. Originally from Aspace - assembly instructions available online and details from their website below: The Porterhouse Single Bed is both luxurious and sensible - the head and foot end panels have a classic, nononsense design for clean and handsome looks that will stand the test of time and a chunky frame built using traditional construction techniques for real stability and strength. This bed is made from natural oak and oak veneers (sourced responsibly from renewable resources, naturally), giving a beautifully warm tone and tactile finish. Porterhouse celebrates the unique characteristics and natural variations of high quality oak, making a feature of every knot and grain to ensure no two pieces are exactly the same.
