

Looking for a Large Field to RentBuy

Location **South West, Hampshire**
<https://www.freeadsz.co.uk/x-174831-z>

I am looking for a long term rent (or possibly to buy) a large field in the South Hampshire area which will be suitable for dog training activities. It needs to be easy to access and with good parking nearby or able to park within the field itself. Ideally 2 acres plus in size and fairly secure although I am happy to erect replacement fencing if required. If there is any kind of barn/shed on site that would be even better. Please contact me if you think you may have what I am looking.
