ESL are a well established landscaping specialist and have been involved in soft landscaping right across the South East for the past 20 years.

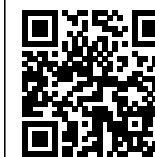

We offer a friendly and professional service from the initial visit, planning stage and throughout the entire job to ensure the most competitive quote whilst working closely with the landscape architects and client.

At ESL we pride ourselves in completing landscape schemes for a wide variety of clients, including company headquarters, new schools and academies, business and retail parks, superstores and industrial estates, as well as involving ourselves in ecologically sensitive areas.
