

Vauxhall Astra 2000 mot july 31st 2016 (650 GBP)

Location **West Midlands, Warwickshire**
<https://www.freeadsz.co.uk/x-175285-z>

this is a wonderful car with lots spent on it over the years the car has developed and electrical problem can sometimes effecting its starting but I have just put a new temperature censer in and it started and is running sweet i don't no if this has fixed the starting problem permanently. there are no warning lights on the dash miles on clock is 135032 the new engine fitted in 2006 so we think the engine has done about 71496 good bits MOT till 31 July 2016 loads of history new engine temperature censer new engine fitted in 2006 by courtenay sport ltd <http://www.courtenaysport.co.uk>. irmischer body kit irmischer grill irmischer gear nob irmischer hand brake lever irmischer pedalscostum black head liner extreme Dynamat fitted edge speakers straight through exhaust from the cat back lexus lights
 Bad bitsa few age related marks on body few marks on alloys developed and electrical problem that's effecting its starting at times sold as
