Amazing package consisting of a full RIB kit ready to go on the water
Possibly one of the best rib packages currently available, everything working and up to date, recent engine service with filters and belt, needs to be seen to be appreciated.
Ex Severn valley Rib Valiant Vanguard DR490 with great tubes which do not lose air.
Stainless A-frame with working Navigation and spot lamp. 2x dry barrels.
Mariner 40hp EFI 4 stroke engine with Hydraulic power tilt and trim, this is an amazing engine and can be seen running in water or muffs.
The console and wiring and cables run neatly in cable ducting to the rear, there is a 30L tank under the seat, there is an anchor locker in the front with a lot of new rope and anchor.
The trailer is a recent single axle with new winch and new wheels, tyres and bearings.
This package is ready to tow away and of to.
