NEW SUPER 8 125 available in White or Red, With flashy sports bike styling, deep shiny paintwork and great looking graphics this fantastic scooter makes a bold and impressive statement. It is perfect for city traffic and more than capable of delivering an exhilarating ride on the open road. Importantly the Super 8 is both light and very agile, which makes it great fun to ride. With a top speed of over 65mph it is more than capable of swiftly manoeuvring around a congested town or city. This scooter has plenty to offer if you are looking for a great looking, fuel efficient scooter at an affordable price. The Super 8 is powered by the latest generation of 4 stroke air-cooled engines, which ultimately makes it a highly fuel-efficient scooter, capable of achieving in excess of 100 miles per gallon as well as producing very low carbon emissions. The Super 8 125 boasts 14" six-spoke alloy wheels and a racy streamlined long wheel base body, to further enhance stability, comfort and safety. The low seating position at 780mm in height ensures the rider can easily place their feet on the ground making it ideal for both male and female riders. Pillions are well catered for, with pop-out alloy foot pegs and a grab rail, so you can share your journey with a friend if the mood takes you. Other features include: powerful front disc and rear drum brakes, electric and kick-start, automatic choke, lockable under seat storage box for helmet, shopping or waterproofs, steering lock, rear carrier, centre and side stands, £1971 on the road inc. 12 months road tax. Finance available with only £99 minimum deposit. Please contact us for a full.
