

Kymco Downtown (3,371 GBP)

Location **North, Lancashire**
<https://www.freeadsz.co.uk/x-178688-z>

This Sports-Commuter Scooter is already proving to be a big hit in Europe – stylish and practical for both city and leisure riders. The Downtown combines high performance with luxurious styling and leads the way in terms of comfort, security and safety. At the heart of the machine is KYMCO's new liquid cooled four-stroke, single cylinder, fuel injection engine, which has served to significantly enhance the machine's performance with a top speed of 70mph. Practical for City and Leisure Riders, The Downtown 125i has a high quality sports look that is both stylish and practical. The modern styling is the work of Italian designer's Massimo Zaniboni, and every detail from the eagle-eyed twin headlights, to the elegant instrument panel, the 12v phone / battery charger, the design of the air inlets on the body and the large under seat storage that can hold two helmets, has been carefully considered to ensure that it can satisfy the needs of both city and leisure riders worldwide. The Downtown also benefits from additional technical enhancements, including a new transmission and ignition system with a high performance chassis, which KYMCO has designed to increase tension and provide a safer ride, a twin balance shaft that reduces engine vibration and improves rider comfort, and a redesigned CVT transmission system to enhance shift efficiency. For added security and stability, the robust chassis also features generously sized wheels (14-inch at the front and 13-inch at the rear), £3371 on the road – inc. 12 months road tax, Finance available with only £99 deposit. Please contact us for a full.
