Beautiful litter of six yorkshire terrier pups two girls three boys left. They were born on 22nd September ready to leave mum 17th November i have both mum and dad as they are family much loved pets and can be seen dad is biewer yorkshire terrier with full pedigree papers mum is full pedigree silver and tan yorkshire terrier. Pups have lovely marking as they carry biewer genes. They will leave mum wormed fleed vet checked and first injection done . They are healthy and lively as is mum and dad. They are used to children as I have regular visits from grandchildren and will make a loving family pet a deposit will secure pup boys £250 girls £
