LCD TV Screen Replacement 40 inch to 70 inch Screen replacements, 6 and 12 months warranty's available Models we cater for * Samsung * LG * Panasonic * Baird * Sony * JVC * Toshiba * Hitachi * Philips * Bush * Celcus * Sharp Please note: Cracked LCD (Flat Panel) LCD TV If your screen (TFT Panel) is cracked or smashed it can't be repaired, the panel will need to be replaced. From our experience, in some cases the price of a new panel would make the TV beyond economical repair. However, we do keep a down on replacement screens by sourcing replacement screens outside the UK". Whether we have a screen to fit your TV can only be determined by visual inspection as most models will have had several different screens fitted during its production period.
