1995 (N-reg) Honda NTV 650 for sale. Bike is in nice, clean, original condition. MOT till March 2016. Has 2 brand new Bridgestone tyres fitted. Has 58000 miles which sounds a tad high but if you know these bikes, this isnt a lot as these engines are ultra reliable and can run well over 100,000 miles without a murmur. Engine runs excellent with no noises, leaks or smoke and pulls very strongly and bike is very comfy and handles like a dream. One negative point - tank has a couple of dents but can be easily fixed plus I have a spare tank included which has no dents but is the wrong colour so you have a choice. Bike has a spare seat included which has been lowered for a shorter rider. Comes with Givi screen and rear carrier (not in pics) Have some old MOT's with the bike. This bike is the perfect Winter runaround and wouldnt take much to make a minter for next.
