## WOOD FLOOR GAP FILLING, SANDING & BUFFING FOR TUNBRIDGE WELLS WEB:

http://www.floorsanding-kent.co.uk/ PHONE: 1892 575 930 WE GUARANTEE : \*Reclaimed Timber We supply reclaimed commercial, residential and industrial hardwood flooring. \*Staining, choose a colour This can bring fresh warm tones to a room, as this is an important decision a number of test patches of stains call be applied to your floor for you to view & make a choice. Staining brings a new element of ideas with hardwood floors. \*Gap filling If you have decided to have the gaps filled this is the next stage: The gaps can either be filled using a mix of resin mixed with saw dust. The second method is to insert and glue wood slivers between the gaps in your floorboards. These are then sanded level in stage.

\*Sanding - Stripping - Buffing We feel that three stages of sanding are required to produce a quality restored floor. A coarse grade sanding belt, then medium and finish on a fine grade. \*Sealing with a lacquer, oil or wax Whether a stain has been chosen or not, the floor is ready to have either a lacquer or oiled finish. If a lacquer is requested 3 coats will be applied or 2 coats if an oiled finish.
