Fiesta Freestyle 1242cc zetec model. Three door five speed manual transmission. First registered 20/06/2002. Mot till 23/10/2016 with no advisories. 103000 miles with vosa mot history. Just had major service plus new front brake discs and pads, 2x lower suspension arms, 2x rear axle bushes and wheel bearing with supplied invoice for over £400. Bodywork finished in Moon dust metallic silver with only a few minor scuffs which you would expect with a car that is thirteen years old has a small dent about the size of a tennis ball below the drivers side rear light see picture The interior is finished in light/dark gray and in great shape clean seats and carpets. Has power steering, alloy wheels, front spot lamps, central locking with two keys, air bags, electric windows, radio/cd player and electric boot opener all in working condition. This car drives beautifully very smooth quiet engine no knocks bangs or rattles no oil or water leaks and no overheating problems. So a great looking car with 100% reliability and low running costs and all for a great.
