This is an outstanding condition Van in Met Red. This vehicle has low miles and a great service history, Cam Belt done and only 2 Owners from new. The vehicle drives lovely and the paintwork is in excellent Order. It also has remote central locking, power steering, Immobiliser. The fuel economy is amazing and the gauge hardly moves. This Van has not been used for heavy Commercial as you can see from the pictures. It also has a very nice Pioneer CD Radio with USB Port. We also give this vehicle a great 3 months all major parts and Labour Warranty at any dealer.

Immobiliser, Power
