Gillingham, Kent-SMC Pentax 135mm 3.5 camera lens, bought new. The lens is in excellent condition, in original Pentax box, with foam packaging & silica gel sachets. Bought for lady interested in photography but hardly used due to domestics taking over. This has been a treasured possession. I would like to think this goes to a photography enthusiast / collector who will treasure it and make good use of it. £45.00 Please ring in EVENINGS ONLY MON-THU OR 8AM-9PM, Fri.
