GREAT RENOVATION SERVICES FOR SLOUGH Web: <http://slough-floor-sanding.co.uk/> Phone: 020 3369 9805 We strongly believe it is always better to restore or renovate a current wooden floor rather than just replace it with a new one. The reasons for this are many: - more character and patina, original wood is usually higher quality than modern machined boards - the retention of original features which will undoubtedly enhance your surroundings - whether traditional or contemporary - more than you could ever imagine. That's why we offer the following services: gap filling, sanding, painting, stripping, finishing with choices of wax, lacquer or oil, staining. We restore: * deckings * stairs * floorboards * parquets * cork tile. Please contact us, if you want to find out more about our work and our qualified.
