Stylish? Check. Waterproof? Check. Comfy? Doublecheck! These boots really do have it all don't they? Well, they might not have flashing lights in their heels, but they aren't children's trainers, so that shouldn't be an issue. What they do have is a Varidex waterproof membrane system, meaning that you can go out riding or walking in all weather and still have lovely dry feet. They are also extremely breathable too, so your feet are safe from the rain and sweat. They are made out of luxurious milled leather and they look bloomin' great. They have that traditional look down to a tittle, meaning you really can look stylish when out and about, whilst remaining safe in the knowledge that your boots will keep your feet warm, dry and comfortable. Right, let's talk comfort. These boots are wonderful to wear. They have a polyurethane cushioned insock with gel foam inserts for added comfort. You will want to wear them inside. Just make sure that they are nice and clean if you have white carpets. On top of all of the above, the Toggi Quebec boots also come with an all terrain Thermo Rubber sole unit, meaning that they are perfect for days out in all weather conditions as well as a wide variety of surfaces.
