

Lemet Greenline, Water heater 80 litre (183 GBP)

Location **Yorkshire and the Humber, North Yorkshire**
<https://www.freedasz.co.uk/x-191377-z>

All products are CE-marked and have a 2 year guarantee. Lemet Greenline water heaters are manufactured in the EU to the highest standard, using high quality materials. All water heaters are supplied with a free of charge pressure safety valve that needs to be installed for the water heater to function safely. If you do not use this pressure safety valve your guarantee will be void. The 2000 Watt magnesium anode electric heater accelerates the heating time. Warm water on demand. The thick PUR foam heat insulation will keep the water warmer for longer. If you heat up the tank at night during the low energy tariff period you can reduce your energy consumption significantly.
