Would you like counselling but find it difficult to get to the location, I can come to you. I offer short or long term Humanistic Integrative Counselling at reasonable rates. I offer clients a safe, non-judgmental, confidential place to be able to talk freely about your concerns, your life, your dreams, your hopes and fears, you may find that changes take place in the way you think, behave & feel. You may understand yourself better and feel more able to handle life's stresses. I work with adults, teenagers and children, with a wide variety of issues in their lives. I am Wealden Institute qualified and a registered member of the British Association for Counselling & Psychotherapy BACP. I work from Tunbridge Wells, Crowborough & surrounding areas. Easy access and free parking. Please feel free to email or phone for more information and see if we can work.
