Amazing bit of kit, Loewe 32" Individual television 2009 (similar quality to B & O). This is for a person that loves quality electronic equipment and wants something different to everyone else. I paid £2500 for this new so although it's a few years old it still looks amazing. Screen is in great shape, a couple of small marks on bottom speaker area and remote has been very knocked around by children, you may be able to get another controller off ebay. Should definitely be viewed to appreciate it's beauty. £350 not negotiable as this will.
