V reg VW Lupo SDI, 1.7 deisel, 76,000 miles, part service history, MOT July 2016. Car in good condition, very cheap to run. Paint work is faded in some areas (see photo) and the headliner has been done in red and white spots (see photo) - this can easily be cheaply changed. The passenger window needs a new motor. The car has recently had a new suspension arm fitted, new wheel bearing and two new tyres put on. The car also has a brand new window screen. Any questions just give me a.
