Winnie The Pooh Themed Sweet Dreams Light Show by Tomy / Disney. A great, cute and useful device with two different modes, a sleep time mode and a wake up mode ensure baby winds down when being put in the cot and re-assure baby once he/she is waking up. Sleep time mode: moving projections on ceiling/dome and three lullabies gently soothe baby and help him/her to wind down. When parents press the characters' heads cute snoring sounds remind baby that it's time to go to sleep. Voice activation mode in sleep time mode: once baby is upset and crying, the lightshow and lullabies will start off to settle baby back to sleep. Wakeup mode: lovely projections of Winnie the Pooh and his friends are revealed on the dome. The Winnie the Pooh theme tune and two other wake up songs re-assure baby when she is waking up. Parents can press the characters heads which will trigger a cute yawn and giggle sound. We found this to be an indispensible 'life-saver' to help get our little one to sleep when sometimes nothing else would do! Highly recommeded for parents and babies love it too! RRP £24.99.
