for sale is my most beloved and stunning BMW which i am very sad to see go but due to our ever growing family its no longer practical but its been a real pleasure to own. i have done my best to look after her but she does have age related marks but nothing to shout about and you would have to look very closely to see any. in my opinion she looks good for her age and any inspection is welcomed and encouraged. she has just had four new tyres and is now due a service which i cant get done for two weeks as the garage is fully booked and also the back gate swung open in the wind last week and took some paint of the bumper which also will be done at the same time as the service if however the car is sold before the work is done i will of course deduct the cost of the work from the asking price. all the services are up to date apart from the one mentioned and have been done at BMW Barnstaple or our local garage in our village. if you would like anymore information please don't hesitate to ask thanks for.
