This is a brand new and unopened item. It was a Christmas gift last Christmas but I am happy with my existing styler which still works well so I have decided to sell this.

InStyler: The amazing Heated Rotating Styling Tool. Motorised rotating barrel with Hot Polishing Cylinder. Automatic safety shut off/Tangle Free Cord.

For All Hair Types:

Adds volume to thin flat hair. Incredible body and shine. No frizziness or flyaways. Damp to Dry. Ceramic heating elements in both the hot rotating cylinder and Hot Brush Plate ensure fast uniform heat.

Features:

Computerised Heat Control with 3 temperature settings. Precision aligned bristles. Motorised rotating barrel with Hot Polishing Cylinder. Automatic Safety Shut Off. Won't tangle and works on every type of hair. Tangle Free Cord. Recommended by Professional Stylists..
