We live in St Paul Cray, near Orpington Kent in a nice quiet road. It is an Affinity Sutton ground floor flat in a converted house. We can swop with any landlord. The flat has its own two private gardens with willow tree and roses, outhouse, very large living room, two large bedrooms, wet room shower, small kitchen and own front door just seconds from a GP surgery, schools, Scadbury forest, Foot Cray meadows and a McDonalds down the road. We want to move to Hastings, St Leonards, Rye, Eastbourne, Fairlight, or anywhere in East Sussex. We might consider other places if in a quiet area. Looking for one or two or three
