A real nice example of the always popular Nissan X-Trail in a lovely metallic silver with full black leather interior. This is the special Aventura edition with high spec such as alloy wheels, air conditioning, CD player, cruise control, electric sunroof, electric windows, electrically adjustable front seats, power steering, remote central locking, satellite navigation and tow bar. In excellent condition considering the age and mileage, maintained to a high standard with a full and complete service history. Powered by the awesome 2.2 DCI engine with 6 speed gearbox, goes really well and has plenty of power for towing etc. An extremely versatile diesel 4x4. Comes with a June 2016 MOT.

Remote Central Locking, Power Steering, Air Conditioning, Cruise Control, Electric Windows, Electric Sunroof, CD
