

natural leather (100 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-192765-z>

From Le Prevo, 25.25 feet sq natural veg tan side leather. It is 2-2.5 mm thick. This leather has no surface treatment and is suitable for carving or embossing or dying. Can also used for "wet-moulding". Never been unwrapped. Was going to make watch bands, belts etc from it but never got around to.
