Discovery 2 TD5 2001 in Epsom green. ES model so has many additional features not present on the standard model, including full dark grey leather interior throughout all 7 seats, driver & passenger seat are also fully electric adjustable & heated. Digital air conditioning with climate control, cruise control, electric windows, electric adjustable & folding mirrors, electric sunroofs, stereo with cd changer, central locking with alarm & immobilizer, 18" mondial alloy wheels with matching goodyear tyres. Rear folding step, luggage cover. Few small points - some of the wheel arch extensions have started to get a bit rough and could do with cleaning up (pictured)& air con could do with a re-gas. Drives amazingly well & has never let me down, the automatic gearbox is smooth through all the gears & pulls really well. I purchased the car in 2014 & had it fully serviced & whilst at the garage had a new tyre fitted as it had a bad bulge to the side wall, suspension compressor pump as the rear air suspension was a little temperamental & other service items all totaling to £1085.88 & recently i have also replaced the rear air bags on both sides as they had a small leak so now the rear suspension is working perfectly. The twin sunroofs were removed and resealed in late 2013 so no fear of these leaking. Mileage is now on 122,000 and has just over 8 months MOT left to run. Only advisory was damaged rear indicator which has been replaced wit brand new unit. Any questions/viewings please ask;
