2003 Audi A4 1.9 TDI Avant SE in blue. The vehicle was purchased by me in 2013 from the brother of a local mechanic who had sadly passed. Since then it has been used regularly by me to travel for my work (lots of long motorway trips mileage). The car has been absolutely solid and is mechanically sound with a recent service (completed by a local german car specialist garage) in September and a full service history. It comes with a wedge full of paperwork including the majority of MOT slips. The bodywork is generally in good condition apart from the stated scuffs and one more major crease. The engine is diesel and absolutely bulletproof and it still averages about 45-50 mpg. There are no knocks or bangs when driving and the engine/clutch/gearbox are in good working order. Manual Dual climate control Cruise control CD radio self-fitted ipod/mp3 3mm jack lead Central locking. Cash on collection or bank transfer only., 3 owners, Next MOT due 09/02/2016, Full service history, Electric windows, Air conditioning, MP3 player, CD player, Height adjustable driver's seat, Height adjustable passenger seat, Folding rear seats, Child seat points (Isofix system), Alloy wheels, Power steering, Cruise control, Roof rails, Central locking, Alarm, Immobiliser, Driver's airbags, Side airbags, Passenger airbags. 5 seats, BLUE, £1
