Property auction, More and more sellers are now thinking about 'Selling by Auction'. It offers the benefits of speed and certainty that will appeal to those in a hurry or who have experienced difficulties in securing a sale by private treaty. Auctions are growing in popularity and TV programmes have raised public interest and understanding of the process and the opportunities that it offers. We have teamed up with auctioneers to offer an auction sale service to our customers. They are the UK's No.1 property auctioneer with over 30 regional auction rooms, this year they will sell over 2,500 auction lots across England, Scotland and Wales. If you are interested in selling at auction we would be delighted to assist. Please email us to arrange a free auction valuation without.
