I am selling my Lenovo X220 12.5" netbook. It is a fast Core i5 2.50GHz processor with 4GB RAM and a 250 GB hard disk. It is a great little machine and comes with genuine Windows 8.1 Enterprise, Microsoft Office Professional 2013 and a full suite of antivirus, anti-spyware, anti-phishing software. It has been used but is in very good.
