2012 '62 Nissan NV400 L3H3 (LWB high roof) 2.3 DCi (125ps / 6 speed), identical van to the Renault Master & the Vauxhall Movano (essentially they are Renault Master vans badged differently), factory white, one owner, only 57000 miles, side door, steel bulkhead etc. Condition wise its as fresh, original and level as youll find anywhere the bodywork is exceptional and shows no signs of hard graft. Cabin is spotless with great spec such as bluetooth, elec windows & mirrors, rear parking sensors, cruise control, drivers arm rest, coat hooks etc. Overall a super fresh one owner vehicle with many many years of reliable service under its wheels remaining a super comfy motorway cruiser. See the live video and commentary of this van on our own website. All vehicles fully checked & inspected by our own workshops. Since 1978 we have been selling light commercials across the entire UK from Glasgow to Inverness, London & Birmingham, Manchester, Leeds, Liverpool & all Scottish Islands. Cruise Control, Drivers Arm
