180cm x 90cm dark-wood dining table and four chairs, bought from John Lewis for £850 (from their "Samara" collection I think)

Crafted from beautiful Indian sheesham wood, this table is very solid and has a wonderful deep grain and finish.

The legs come off for easy transportation.

The chair seats have worn a little and there is one small white mark on the surface. Overall excellent condition.

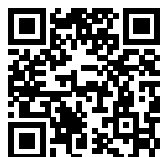

We'll be sad to see these go!

Cash-on-collection ONLY. Scammers, look.
