Our home is our treasury of memories, where we raised our families through good and bad times. The thought of giving up our precious memories because we are faced with reduced independence is an unprecedented thought. Moving into a nursing or residential home care facility can feel so very daunting.....but you don't have to! Why leave your home when Care with Love can provide you with specialised live in care! Our Carers can move into your home with you to provide "an above and beyond level of care". Supporting people to remain independent in the comfort of there own home is what we do best! Why choose live in care? Enables you to stay at home

Allows you to maintain or regain your chosen lifestyle

Our prices are competitive so we will always give you an affordable and fair rate.

One to one care means your in control and never alone

We will match a Carer specifically for your specific requirements.

Available at short notice for long/short periods. ;
