2005/05 Audi A4 2.0 Diesel S Line

This is a very rare diesel S line automatic and it is a stunning car that is a pleasure to drive, it has all the extras you would expect from an Audi it has air con, CD player, electric windows front and back, electric heated mirrors, fully adjustable front seats and steering wheel, it is very very good on diesel, 4 x 17inch alloy wheels plus the spare is a full size 17 inch alloy wheel there is only a very small mark on 1 alloy wheel and the other 3 are spot less, there is 2 small scratches on the bonnet, a small dent and the towing tie is missing (all as pictured) It is MOT'd until 16th April 2016 and has a lot history and receipts and has been well looked after as you can see. now the bad points, when you are starting it up it vibrates for a few seconds sometimes. and then starts and runs fine I took it to the garage and they plugged it in and said that it need a new glow plug coil and the passenger side rear door some times sticks when you go to open it. Despite these bad point the car is used every day and starts first time and goes where ever you wont it to. All viewings are welcome. The car is advertised else were so I reserve the rite to remove the ad at any time. If you have any questions please don't hesitate to contact.
