Harley Davidson with a really low mileage for its year, it is in a nice clean condition and offers the ultimate in pillion comfort with the luxurious rear seat. It offers plenty of storage with the full luggage of two hard side panels and top box which also has a rear rack attached, you could pack more than enough gear for a weeks holiday touring around and taking in all the sights. These motorcycles are definitely build for comfort and will happily cruise along for mile after happy mile. Cars and bikes taken in part exchange. Finance offered subject to status. Nationwide delivery available. E
