Guzzi has taken the California and given it the mean and moody treatment to come up with the new Audace. The new bike has a sporty stance and wide bars, while the footboards have been replaced by proper foot pegs and it handles better too as the Audace feels lighter therefore the handling is sportier as there is less lift and squat from the shaftdrive under acceleration and deceleration. The sporty stance puts you forward in the chassis and there is really good ground clearance. We are now selling our ex demonstrator which has a mere three hundred miles on the clock and remains in an excellent showroom condition, it is an absolute bargain with a reduction of over £1,500 from the new retail list price. Cars and bikes taken in part exchange, Finance offered subject to status, Nationwide delivery available, E
