This MV Augusta is simply stunning and looks just beautiful with the red frame and white paintwork. It has a very low mileage which is reflected by the excellent condition. Build quality and attention to detail is second to none. New under seat tailpipes are now sculpted to form a beautiful under tray section, there are little aerofoils underneath the belly pan for high speed stability and new LED running lights are fitted front and rear with a finish to the paint scheme which is deep and luscious, really lovely. The styling is just totally gorgeous, Italians seem to excel with everything they design and this beautiful motorcycle is no exception. and the paint scheme with the paint finish deep and luscious. This motorcycle is so very desirable and deserves to be seen in the flesh, the build quality and attention to detail is second to none. Cars and bikes taken in part exchange, Finance offered subject to status, Nationwide delivery available, E
