

Moto Guzzi Stelvio 2015 (10,495 GBP)

Location

Yorkshire and the Humber, South Yorkshire

<https://www.freeadsz.co.uk/x-194136-z>

This Stelvio NTX has just 905 miles on the clock, the first service has been done with the next one being due at 6,000 miles. At just £10,495 it is fantastic value and offers a massive saving from new of over £2,500. The Stelvio is a fabulous machine which offers just everything you could possibly ask for in a touring motorcycle. It is the ultimate in comfort and with the two seat settings it can be adjusted according to personal preference giving the ideal riding position. The screen can also be adjusted to match the seat position and the rider's own height, comfort is such a major factor when touring and doing big mileage and the massive thirty two litre fuel tank ensures you're not constantly having to factor in fuel stops. Fill up and you will get nigh on three hundred miles before you need to stop again and it's more than comfy enough to do this amount of miles without needing to stretch your legs. The handling is superb, agile enough to throw around the twisties and lots of front end feel in the corners. Very efficient brakes ensure you can quickly bring the speed right down, it just does everything it should. This particular model is the NTX version comes with extra goodies: Protective crash bars for the sump, engine and bars, Halogen riding spotlights, Spoked wheels, Aluminium hard side cases, Wind deflector hand guards, Cars and bikes taken in part exchange, Finance offered subject to status, Nationwide delivery available, E
